Format of Tournament

This is a doubles, scratch event, with an additional 8 pins per game during qualifying for all female and junior bowlers. The additional 8 pins will drop after qualifying.

All bowlers will bowl 12 games qualifying (24 per team), taking the top 15 teams with the highest pinfall.

From there, the top 15 teams will bowl 8 games of tri-matchplay in the "BAKER" format; this is where each team will bowl a single game shared between the team.

The top 5 teams in the "BAKER" format from tri-matchplay will go on to bowl a two-game elimination stepladder finals also in the "BAKER" format.

Please note that the pinfall WILL NOT carry over from qualifying into tri-matchplay or stepladder finals.

Throughout the entirety of the memorial, two mystery patterns will be laid down – using the “Dual Pattern” method. Both oil patterns will be revealed on the first day of bowling.

Two squads are available - Squad A & Squad B - both with a maximum number of entries (MAX = 40 teams per squad). Bowlers are not permitted to enter into both squads/ no multiple entries.

If a perfect game (300) is bowled during the qualifying, the bowler will be rewarded with a ball from [**StrikeZone Pro-Shop & Bowling Supplies**](#) up to the value of \$300.00. If one is bowled in matchplay and/or finals, due to the “BAKER” format, a ball will be rewarded to both (team) bowlers up to the value of \$300.00.

Entry into the Memorial

A deposit of \$150.00 (per team) MUST be paid by the 4th of November. If the deposit is not paid, your spot will not be held, instead it will be passed on to the next person. The remaining fees are required to be paid by the 18th of November.

The entry fee is \$250.00 per bowler; \$500.00 per team. Please send through the appropriate paperwork {entry form} when paying the deposit. Contact information will be provided {appropriate email and contact number} on the form.
