Tournament Rules + Conditions

- This is a TBA accredited event and all TBA rules and regulations will apply.
- This is a scratch event open to all current 2023 TBA members. This is an event with a male and female division. If Female's bowl in the open division they will receive 8 pins handicap as per TBA rules.
- Bowlers must wear neat, acceptable attire. No jeans, singlets, hats, etc.
- This is a dual-pattern event which consists of two oil patterns. Pattern A on the left (odd lanes) and Pattern B on the right (even lanes) which will be advertised in advance to the event.
- In qualifying, bowlers will bowl 10 games and will be bowled in 5 x 2 game blocks changing 2 pairs after each block (subject to change based on bowlers per squad). This will be conducted in 3 squads: a, b and c. Squads are maxed at 28 bowlers each but can be extended to 32 if other squads are all full.
- After qualifying the males will cut to the Top 24 and Top 12 for females.
- Stage 2 will be just the top 24 open bowlers and will be a 4 game sprint with pinfall from qualifying carried over. This will be bowled in 1 game blocks, moving 2 pairs.
- Stage 3 will then cut to the top 16 open and the top 12 ladies will join at this stage. This stage will consist of 6 games in 2 game blocks, moving 2 pairs. Open pinfall will continue to carry over and ladies will have their qualifying pinfall carried over for this stage.
- Stage 4 will cut to the top 9 for both divisions and will have no re oil. Head-to-head, tri match-play format with bonus pins awarded for 1st (20), 2nd (10), 3rd (0) for each match (pinfall carries). Any ties for 1st or 2nd will split the bonus pins. Tie 1st (15 each and 3rd 0) Tie for 2nd (1st 20, 5 each).
- The stepladder finals will be 4th seed vs. 3rd seed, winner plays 2nd seed, the next winner will play the no.1 seed in the stepladder final for both the ladies and open. All matches will be 1 game total pinfall. 2 pairs are oiled for the stepladders and 1 pair for practice using the dual pattern just as it has for the rest of the tournament.
- All stepladder matches will be played on the same two pairs. The next opponent (2) will have practice on the practice pair once the first match has reached the 6th frame. This will repeat for the 1st seed. The new bowler/s coming to the match pair will have 1 frame practice on each lane. Before starting the match the higher seed will choose their starting lane and who starts first. The two winners of the final stepladder matches will be crowned the 2023 Logan City Cup Champions.
- In case of a tie after qualifying, stage 2 or 3, the seeding will come down to the highest last game bowled to break the tie. If there is a tie for any position to make the stepladder or during the stepladder, a 9th/10th frame roll-off will occur to break the tie.
- Prize fund will be adjusted accordingly based on actual entries.
- All schedule times are approximate and may deviate depending on circumstances. Squad check-in times will NOT change and bowlers MUST check-in before the allocated time. Late entries won't be permitted.
- Any other conflicts, problems or other issues, rules, regulations not stated here or in the TBA rules will be under the discretion of the tournament director/s or centre management.
- Entries, deposits, squad lists and live scores will be organised through www.tenpinresults.com.au
- Should a refund of a players entry fee be required because of an event cancellation or approved refund by the tournament director, the full amount paid will be transferred to the players portal as a credit amount. The player then has two options:
 - a. Use the total credit amount for any other tournament that is using online entries,
