FORMAT

STAGE ONE -

Each division (squad) is open to 20 entries. From there, bowlers will bowl 8 games before cutting to the top 10 bowlers in each division (squad).

The top 10 from each division (squad) will bowl a further 4 games before cutting to the top 3 bowlers in each division (squad).

Pinfall will then drop going into Stage Two which will then combine all divisions (squads) together to consist of 12 bowlers; 2 games will be bowled for Stage Two.

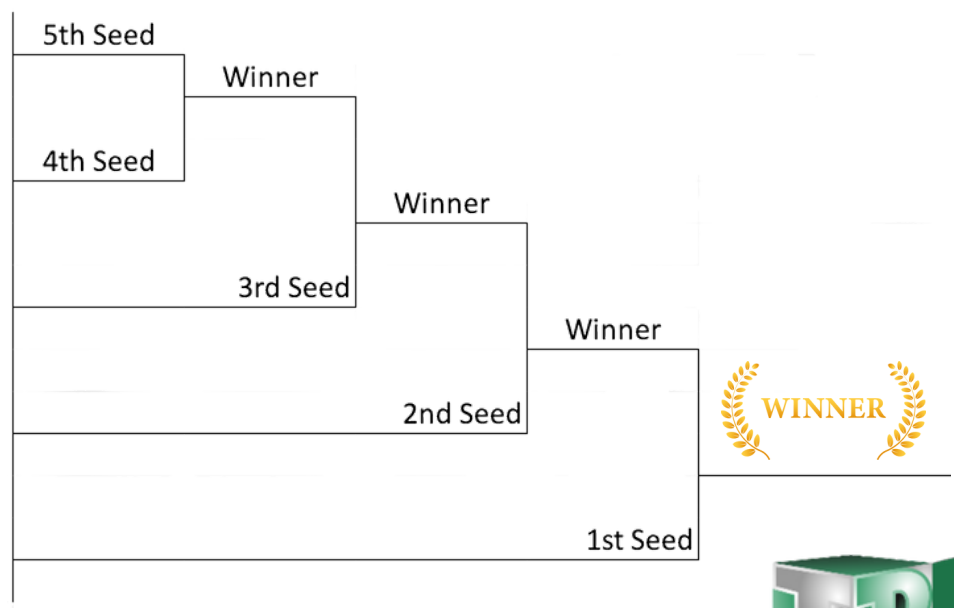

STAGE TWO -

The top 12 bowlers (competitors in bracket 3) will progress into a 2-game qualifying final; also known as "STAGE TWO"

Pinfall will drop from qualifying to matchplay. All 12 bowlers have 2 rapid games to determine the Stepladder Final competitors.

STAGE THREE -

From matchplay (Stage Two), a classic stepladder final will take place with 2 games per round.

This is a unique format!
